

IB History of the Americas Suggested Readings/Purchases

You will receive all required texts, but some are digital and I know there are some who prefer to have the physical copies. Totally up to you if you want to purchase. If you do decide to, used copies are the best and cheapest option.

Again, these are optional purchases

Quarter 1- The Civil War

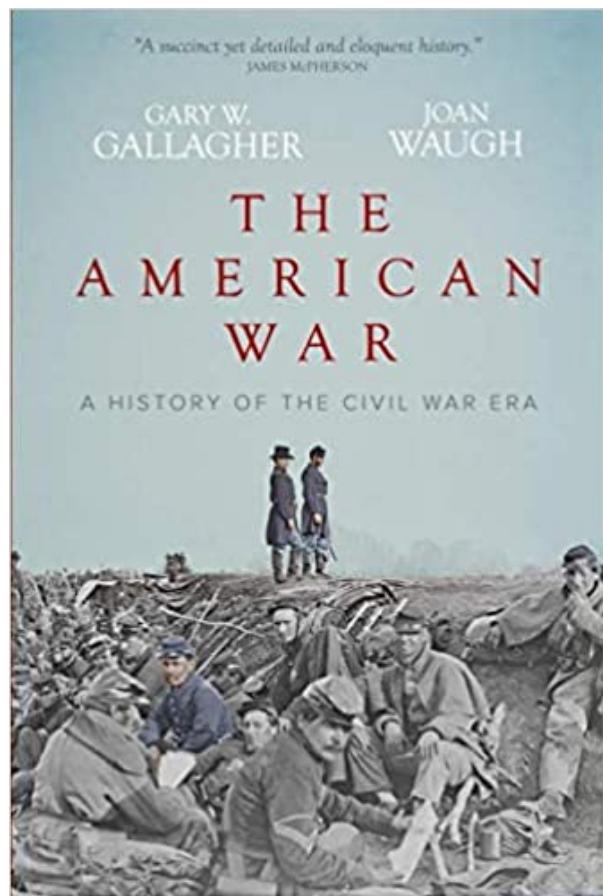

**United States Civil War: causes, course
and effects 1840–77**

Alan Farmer

 HODDER
EDUCATION

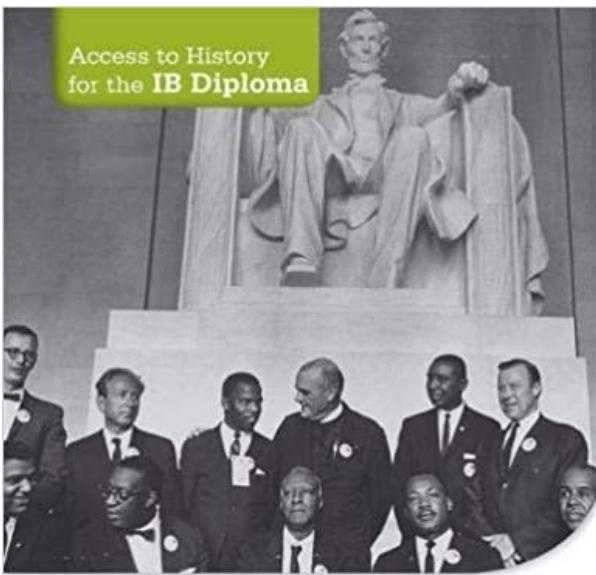

Great review book that would help with the course

Great book by a great author if you're super interested in the Civil War/don't know too much about it and want to get a head start
