### OCPS/CCHS Locker Policy

All Orange County Public Schools lockers are the property of the school system. School authorities have the right to inspect any student lockers in order to protect the health, safety, and welfare of the students. This includes the use of drug and gunpowder sniffing K-9 dogs. Each student who uses a school locker must sign the Student Locker Application, Consent to Search, and Waiver of Liability form acknowledging and agreeing to the conditions as a prerequisite to, and in consideration for, the issuance of a student locker. Individual locker searches will be conducted if the school personnel have reasonable suspicion of a violation of the law or of the Code of Student Conduct. Routine locker clean-ups are not considered searches.

### Consent to Search and Waiver of Liability

I hereby acknowledged the locker issued is the property of OCPS and may be searched at any time in accordance with OCPS policy. I, therefore, consent to such searches. I also acknowledge that the contents of the locker are my responsibility and release OCPS, CCHS, and any school personnel from any loss(es), personal or otherwise, that may occur during the use of such locker.

By purchasing your locker, you agree to the policies and procedures listed in the OCPS Code of Student Conduct as well as those listed on the CCHS website. You also consent that you have read and agree with the Consent to Search and Waiver of Liability Form also located on the CCHS website. Any further questions or concerns regarding lockers should be directed to Dean Angela Walker.
